9:00-1:00 3's					
12:00-3:00 3's & 4's					n/a

Enrichment Workshop, in our new learning facility, offers children a warm and nurturing preschool experience. The curriculum is designed to provide continuous multisensory learning through play and our daily specialties including cooking, art and music & movement. STEM/STEAM (Science, Technology, Engineering, Art & Math) will weave its way through the curriculum as we inspire a love of learning and discovery.
